

Inderprastha Engineering College Ghaziabad **e-Yantra Robotics Club**

Inauguration of e-Yantra Robotics Lab and Project Exhibition

e-Yantra Robotics lab was inaugurated and project exhibition was organized at Inderprastha Engineering college on 7th september'2016.

e-Yantra is a project initiated by IIT-Mumbai and sponsored by Ministry of Human Resource Department under National Mission of Education through Information and Communication Technology.

The mission of e-yantra project is to enable students and staff of technical institutions to take India' s economy a greater height by 2020 with the help of technological innovations.

Dr. B.C Sharma, Director of Inderprastha Engineering College, inaugurated the lab and encouraged the students to design Robotics Projects.

Dr. Pooja Tripathi, HOD(IT) also enlightened the students with her knowledge and experiences.

After inaugural ceremony, project presentation was held in which around 30 students of IT,CS, EC,EN and ME branch presented their Robotics project in their team. Faculty Coordinators of e-Yantra Robotics club- Ms. Bindu rani (IT Dept),Mr. Prateek Purohit(EC

Dept.) and Mr. Akshay Singh(EC Dept) also supported and encouraged students for their Project presentation.

The function came to end with enthusiastic students and vote of thanks by Dr. Pooja Tripathi, HOD(IT) .
