**Subject: NPTEL Certified students database updation by NPTEL IITM for Industry connect.**

**VERY IMPORTANT for Passed out/ Final Year NPTEL Certified Students**

We are happy to inform that NPTEL has started a new initiative by partnering with industries on multiple facets.

<http://nptel.ac.in/IndustryAssociate/> <http://nptel.ac.in/IndustryAssociate/>

With industry collaboration, NPTEL is looking for avenues of co-offering courses by the industry experts that leverage their area of expertise, conduct workshops for NPTEL certified students in niche domains, offer internships, placement opportunities, etc.

In this regard, NPTEL is putting together a **database of candidates with detailed profiles of academic performances, work experience and special skills.**

The aim is to enable industries to assess the portfolio and connect with the applicant.

**Therefore, All NPTEL certified students till date, should fill the link shown below on immediate basis, More importantly, the final year students or those who passed out, looking for a job.**

<https://nptel.ac.in/noc/candidateinfo/login.php>

- The form is controlled by the same email ids that candidates have used to register for the exams. Hence non-NPTEL candidates will not be able to access the form.

Kindly note that this database will be shared with potential employers. By submitting this form, the candidate is agreeing to NPTEL sharing his/her details with these organizations.
