

INDERPRASTHA ENGINEERING COLLEGE, GHAZIABAD

NOTICE

Ref: IPEC/RO/2018/107

Date : 03-12-2018

From: Registrar (Through: Director)	To: All Students
--	-------------------------

Sub: Instructions for AKTU Odd Semester Examination 2018-19

All the students appearing for AKTU Regular/Carry Over Odd Semester Examination 2018-19 are strictly advised to follow the instructions given below:

1. Students should carry the College ID cards with them while attending the examination at the centre i.e, Krishna Engineering College, Mohan Nagar, Ghaziabad. Students may also keep their Aadhar Card so that in case the college ID card is lost students can show the aadhar card to the authorities at the examination centre.
2. Students are advised not to carry Cell phones, bag, wallet or any other electronic devices to the examination centre. By chance if any student carrying bags etc, student can keep it at the place provided by the examination centre but the centre shall not be responsible for any loss or misplace.
3. Students are advised not to carry any type of unfair means to the centre and nothing should be written in any place of the body. If any one doing such practice or any unfair means during odd semester examination 2018-19 shall be liable to punishment as per university rules.

All are advised to strictly follow the above instructions.

Dear Sir/Madam,

1. Please inform the students to bring ID card during the examination. In case of lost the ID card, students may bring aadhar card.
2. All colleges are requested to kindly send the data as per the university requirement of your students for Dr. APJ AKTU university examination (odd sem - 2018-19) like design data hand book, steam table, psychometric table, IS 456, IS800, steel table or any other required material in the university examination.
3. Students are advised not to bring cell phones, bag, wallet or any other electronic devices at the examination centre. In any case if student brings the above, KEC will provide the proper space, but for any loss examination centre Krishna Engineering College (161) will not be responsible.
4. Convey the message to the students that they should not carry any type of unfair means and nothing should be written in any place of their body as observed in the last even sem examination 2017-18.

kind regards,

Prof. Praveen Srivastava
Centre Superintendent
Dr. APJAKTU Odd Sem 2018-19 Examination

Vision -To create and establish an Institution that will turn out scholars adept at responding to changes brought about by globalization, be they technological, societal or paradigm shifts in business processes. In conclusion, the scholars will be global players in all respects when they leave the portals of Krishna Engineering College.

Mission -To provide an academic and social environment that will stimulate academic excellence, development of cross cultural adaptability, flowering of soft skills and integrate human values and social concerns among students entering the college.
